

Trottiscliffe Church Parking

Designated church parking **P**

- You may park on the green verge opposite the gate against the wall .
- Through the gates into Trosley Court is Private Property but for Church services the owners kindly allow some overflow parking **at the far end, Church parking is restricted to the concrete, please do not park on the tarmac surface.**
- On Church lane as you approach the church from the west there is an additional car park which has a reinforced grassy surface.
- For additional parking please use the village hall car park a few minutes walk along Church lane.

Disabled visitors **P**

The space immediately in front of the church is reserved for our less able visitors. A disabled ramp is available but prior notice is required.

Monitoring

For large gatherings it is essential that someone is designated to monitor parking to make effective use of the space and to ensure that our neighbours are not inconvenienced.

We are very grateful to our neighbours who allow parking on the understanding that it is used responsibly. Thankyou for you cooperation.
